

## ***The contribution of creative practice research?*** **Supervisors and Candidates Forum**

Sat 21 Oct 2017  
3.30 - 4.20pm  
Foyer  
Level 1  
Design Hub

A panel discussion will explore different approaches to meeting the core value that defines Doctoral research: making a contribution to knowledge.

How are different orientations toward creative practice research making a contribution to knowledge?  
How are practices between supervisors, candidates and streams of practice research activity making this contribution accessible and of value to others?
